From the Principal Desk

I feel immense pleasure to present the current year College Prospectus – 2024.This prospectus offers requisite information to the new interested aspirants regarding the course combinations, eligibility, admission procedures for UG courses, and distance modes courses. It covers human and physical resources, institutional rules and regulations, students' support services, academic and non-academic activity calendar and other relevant information for the benefit of students. I am happy that our college has been accredited 'B' by NAAC assessment accreditation in the year 2019.

I, on behalf of our college fraternity, hope that the students being our primary beneficiaries, shall remain focused on their overall development, be it discipline, respect, and caring for the assets of their Alma-mater. I wish all the best and great success to all the students.

We welcome you to Govt. Degree College Kargil (Ladakh) with pride and hope your cooperation help us in the growth and development of this college. I also ensure that the college admission and counseling committee will always remain at your disposal for your bright future. Once again, good wishes to all!!!

Prof. (Dr) Amina Qari (Principal)

An Overview

The inception of the Government Degree College Kargil (Ladakh) in 1995 marked a significant milestone in the region's academic landscape, heralding a new era of intellectual pursuit and educational enlightenment. This auspicious occasion was graced by the distinguished presence of Retired General K.V. Krishna Rao, the venerable Governor of the erstwhile Jammu and Kashmir state, whose august inauguration ceremony bestowed upon the college an aura of solemnity and promise. With its subsequent affiliation with the esteemed Kashmir University, the college ascended to prominence as a bastion of erudition and scholarly excellence in the rugged terrain of Kargil. In the wake of the transformative events of 2019, the Government Degree College Kargil assumed a pivotal role as one of the revered constituent colleges of the newly established University of Ladakh, thereby cementing its position as a beacon of enlightenment and academic endeavour. Committed to fostering intellectual growth, nurturing cultural richness, and facilitating holistic development, the college stands as a testament to the indomitable spirit of the youth of Kargil. Against the backdrop of the National Education Policy (NEP) of 2020, which serves as a comprehensive blueprint for the revitalization of India's educational landscape, the college remains steadfast in its dedication to excellence and innovation in higher education, poised to shape the minds of future generations and ignite the flames of knowledge and inquiry.

Vision:

➢ Empower Students through quality education and augment their holistic development for a sustainable future.
➢ Integrate Knowledge and skills to generate employable graduates who are life long learners.
➢ To empower the community through accessible, quality higher education, fostering intellectual growth, cultural diversity, and holistic development of individuals.
➢ To inspire and ignite among the students, the thirst to seek knowledge, truth, wisdom, the spirit of tolerance brotherhood, volunteerism, and scientific temper.

Mission

➢ To enhance teaching, learning, and administrative processes to prepare students for the digital age.
➢ Creating a learning environment where diversity is celebrated, and every student feels welcomed and supported.
➢ To develop the physical and infrastructure facilities to accommodate the growing number of learners.
➢ To introduce new programmes including vocational and skill based courses and equip the faculty members with modern teaching-learning aids to meet challenges of modern times.
➢ To install environmental consciousness and responsibility, promoting a culture of sustainable living among students and faculty.

Values

➢ Service, Ignite, Integrity and Excellence.

Admission   Process:

Govt. Degree College Kargil is all set to welcome the new batch of students for admission in the FIRST SEMESTER. The admission committee of the college hereby directs all the desirous candidates to register for Provisional Admission(offline) prior to the formal online admission. The Schedule of the admission process is as per the following:

S.No	Admission Process	Date	
		From	To
1	Online Registration/Admission (www.uol.ac.in) with non-refundable processing fee of Rs. 50	15 June, 2024	30 June, 2024
2	Offline counseling for NEP based Admission Process in colleges	15th June, 2024	30 June, 2024
3	Verification and deposition of certificates at college and submission of fee online	20th June 2024	05th July 2-24
4	Admission with late fee of Rs 1000	01st July 2024	05th July 2024
5	Commencement of Classes	3rd July 2024	

Candidates are advised to formalize their admission in respective colleges on a provisional basis till 12th class result is declared.

Following the Registration, the students may contact the college for Counseling till their result is declared. NEP 2020 will be introduced. Therefore, counseling in colleges will be available for any assistance or advice with regard to choosing of courses as there will be no distinction between streams like Arts, Science and Commerce. Please feel free to contact the college on any working days.

Eligibility:

1   Candidate should have a Provisional Admission record.

2   Students opting for Mathematics as a Foundation Course (Major) subject should have Mathematics in Higher Secondary.

3   Students opting for Life Science as Foundation Course (Major) should have Botany or Zoology or allied Science in Higher Secondary.

4   Students opting for Physical and Chemical Science as Foundation Course (Major) should have Physics or Chemistry or allied subjects in Higher Secondary.

5   The choice of courses will be for both 1st and 2nd Semester.

6   Choice of Generic courses should be different from Core and Minor courses.

Note: Each college will reserve 10% of the intake capacity for candidates outside their catchment area.

Each section will have multiple of 80 and 120 students for Practical and Non-practical subjects respectively, depending upon the human resources and infrastructural facilities of the college. Allotment of colleges and admission and choice of courses will be based on merit to be determined on the basis of the marks obtained by a candidate in the Qualifying Examination.
