PRESS RELEASE

06-10-2023

Department of Chemistry, GDC Kargil conducted a one-day collection cum exposure tour on 06-10-2023 to Suru valley, Kargil. The tour was organized for the students of semester I batch 2023 and skill course "Water Quality Analysis"

Water samples were collected from different spots along the Suru valley belt namely Tambis, Faruna and Trespone. The samples were collected from different water sources like springs, river, streams, etc in the said area so as to analyze the quality of the water. The physical and chemical parameters of water quality shall be measured and analyzed later in the laboratory of chemistry department.

The students were made aware of the importance of having the knowledge and skill for testing the water quality. They were escorted by Prof Kunzang Dolma, Prof Rinchen Angmo and Dr. Zakir Ali.

We would like to acknowledge the support and encouragement of Principal GDC, Kargil For providing the necessary arrangements.
