## ANNUAL EXAMINATION EVALUATION REPORT OF 6<sup>TH</sup> SEMESTER

The annual examination report across streams varies accordingly. The final undergraduate examination pass percentage for social sciences is highest among the major streams at 67.5% While the science stream students' pass percentage is stated at 61% and for students of B.Com the pass percentage was 44.4% in the final semester examination results declared for 6<sup>th</sup> semester.

It is indeed a scope of evaluation for the said results which needs pondering for further improvement in the final result especially for B.Com results.

Some of the reasons and remedial measures for said result improvement are as per under:

- Need for more contractual and guest faculties in the institution.
- Need for increasing the bus fleet number of this institution
- More robust and strict attendance and examination appearing rules
- Time to time attendance shortage lists to be circulated among the students.
- Students' motivation towards academic studies needs to be revived
- Also, due to no filter mechanism during or at the time of admission with any scores during their school time of 12<sup>th</sup> standard.
- Economic factors like some students who are forced to do part time and other work and who need to miss lots of class work for the same needs to be supported financially so that they can focus on their academics without any hindrance.
- The college also aims to support students in improving the overall mental wellness and to support in case of any psychological issue the student is facing. For this the college aims to further strengthen mental health awareness by having a grievance and redressal committee so that overall academics of the students improves.
- The commerce stream teachers are directed to be extra cautious and needs to put more effort in improving the overall pass percentage of their respective stream.
