“Knowledge is Knowing facts
Wisdom is knowing what to do with facts you know”

Prospectus And Brochure

Session 2021-22

From the Principal Desk

I feel an immense pleasure to present the current year College Prospectus - 2021.

This prospectus Offers requisite information to the interested new aspirants in particular and public in general, regarding programme, subject combinations, eligibility, admission procedures for UG courses and distance modes courses. It covers human and physical resources, institutional rule and regulations, students support service, Calendar of academics and non-academics activities and other relevant information for the benefit of students. I am happy to inform, that our college has got B grade NAAC assessment accreditation in the year 2019.

We hope and expect that the Students being our main beneficiaries shall remain focused on their overall development, be disciplined, respectful and caring for the asset of their alma-mater. I wish all the best and great success to all the students.

We welcome you to Govt. Degree College Kargil (Ladakh) with pride and hope your cooperation help us in the growth and development of this college. I also ensure that college admission and counseling committee will always remain at your disposal for your bright future. Once again good wishes for all!!!

Prof. (Dr) Amina Quari (Principal)

An Overview

Govt. Degree College Kargil (Ladakh) is established in 1995 and was inaugurated by Retd. Gen.K.V. Krishna Rao, the then Governor of J & k state and has got affiliated with Kashmir University. Since then, it become one of the notable and glorious seats of higher academic learning of Kargil, Ladakh. It is located at Bagh-e khomenie –the extreme western part of khurbathang plateau, some 500 feet above the Kargil town. The location of the college and the surrounding provide the very congenial and tranquil atmosphere for academic pursuit.

At present the college has beautifully architectural buildings which includes administrative block (consisting Principal chamber, clerical section and staff chamber) Commerce and Geology block, main lecturer block (with a

capacity of 100-120 students), science block (consisting chemistry, Zoology, botany and physics laboratories with a capacity of 35-40 students) and a Canteen.

Recently some other structures like-library block and biochemistry Department were raised. Two hostels for Girls, each Under PNDP and tribal affairs are under construction and are at the verge of their completion. The college has four student busses in the college transport. The college stands included by UGC under 2(f) and 12(B) on 17th of March 2005 and the college is accredited by NAAC with B Grade.

Vision:

- To emerge as a great seat of higher learning and Centre of excellence in the field of education by disseminating knowledge for human development and welfare.

Mission:

- To impart quality and value-based education to the students.
- To provide career counseling and guidance in every field to the students.
- To inspire and ignite among the students, the thirst of seeking knowledge, truth, wisdom, spirit of tolerance, brotherhood, volunteerism and scientific temper.
- To develop the qualities of leadership among the students to lead the society.

Courses Offered:

The college is disseminating courses under choice-based Credit System (CBCS) from the academic session 2015-16 in accord with the UGC recommendation. Under this scheme in each course, the subjects are categorized in to core, elective, ability and skill enhancement courses.
