**GDC Kargil holds special program on careers in Indian Army**

Kargil, August 12, 2023: Seminar and Culture Committee, GDC Kargil in collaboration with Indian Army today organized a special program on career guidance in Indian Army conducted by Kargil Sentinels.

The chief speaker for the program was Lt. Col Mukesh Dutta. The Program started with a formal welcome of the guest speaker by the Convenor Culture and Seminar Committee, Prof. Gailtsen. He briefed the audience about the role and glory of Indian Army in Border areas of Ladakh.

He highlighted the significant role of Indian Army in defending the borders alongside various welfare and developmental projects in the Ladakh region.

The Key speaker kept the session interactive and focused on queries of the students. He explained about the training agencies and programs being conducted by Indian Army. He gave a detailed presentation covering various aspects focusing on the career opportunities in Indian Army.

The event was conducted by Prof. Archo Fatima. Principal GDC Kargil, Dr Amina Qari expressed her thoughts and valuable inputs on the event and presented the college annual Magazine to the key Speaker Lt. Col Mukesh Dutta. The program concluded with a vote of thanks presented by Prof. Thinles Chondol.

Successful Conduct of Engineering/Architecture physical spot round Counseling by Higher Education Department, UT Ladakh at Govt Degree College, Kargil and EJM College Leh

Leh, August 11: The Higher Education Department of Union Territory of Ladakh successfully concluded the Engineering/Architecture physical spot round counseling at GDC Kargil and EJM college Leh. Rizwan Ali (Nodal Officer), Assistant Professor Physics and Dr Rinchen Tundup (Nodal officer) Assistant Professor Mathematics conducted the counseling process at GDC Kargil and Amjad Ali Assistant Professor Mathematics conducted the process at EJM College Leh.

The physical spot round counseling, organised by the Higher Education Department, witnessed an enthusiastic participation of students from all parts of Ladakh.

Out of all the registered candidates a total of 11 candidates have been selected on the basis of their AIR rank of JEE mains 2023. The selected candidates will be issued the provisional admission letter for admission in different reputed institutions/colleges across India.

The counsellors provided valuable insights and guidance to the students seeking engineering admissions.

This initiative aimed not only to streamline the admission process but also to assist students from far flung areas of Ladakh in making informed decisions about their academic pursuits.

The Higher Education Department extends its gratitude to all the participants, parents, and institutions that contributed to the success of this event. The collaborative efforts of all stakeholders involved are integral to the advancement of education in the region.
